Dear Parents,

I hope that you have had a good week. I have really enjoyed seeing some pictures of what the children have been up to, and it has been really nice to see them engaging in the topic of What The Ladybird Heard!

Tadpole Update:

They all have legs!!

Caterpillar Update:

They are in their Chrysalis!!

In phonics this week we would be focusing on the 'ck' sound. This is known as a digraph (two letters that make one sound). We would teach children that 'ck' is found at the end of the word; we tend to find the rhyme "ck at the end needs a friend" helps the children remember! Some words that you may want to practise with are: sock, kick, pack, duck, rock, tick etc. Some activities that you may want to do include: listening for 'ck' at the end of words; reading CVC words with 'ck' at the end and building CVC words with flashcards. You may also want to watch the following Alphablocks episode: <https://www.youtube.com/watch?v=xnOfoSe18Dg>. The song can be found at https://ceehonduras.org/files/07JollyPhonicsCk_49.m4a.
