## Access Active Learn Primary

Active Learn Primary will give parents access to a range of books for their child's year group. Please note that these accounts are being shared and therefore you may need to move the books back to the start.

Step 1: Go to

<https://www.activelearnprimary.co.uk/login?c=0&l=0>

Step 2: Click 'Login'

Step 3: Look at the books bands below, that are relative to your child's year group.

Instead of us setting up accounts for year groups, we have created these by book band, in case parents feel that they need to select a different book band.

If you feel that your child may want or need to access a different book band, please see the grid  
overleaf,

Choose which book band would be most suited to your child

Step 4: When you are logged in, click 'My Stuff', as this will show you the different books available.

# Step 5: Select a book to read

The screenshot shows a user interface for a library application. At the top, there is a navigation bar with buttons for 'My Home', 'My Stuff' (with a red notification badge showing '29'), 'My Library', 'My Rewards', 'Log Out', and 'Close'. Below this, the main content area is titled 'My Stuff' and indicates '30 items'. A red notification badge with '29' is next to the 'Independent' reader level icon. A list of five books is displayed, each with a cover image, title, status, and a yellow circular badge with a number:

Book Title	Status	Count
Bug Boy: Spider Camp	Opened	15
I Like to Collect	New	15
My Holiday	New	18

At the bottom of the interface, there are decorative elements including clouds, two paper airplanes, and the 'ACTIVE LEARN' logo.
