

# Top Tips for Middle School

## Be Prepared

Remember to look at your planner so you know where to go and when

## Be Kind

If you see someone else having a bit of a hard time, try and help them. This is a great way to make friends.

## Be Resilient

Sometimes, you won't always get things right and you will make the odd mistake - it doesn't matter! The most important thing is that you learn from it.

## Be Yourself

You are brilliant for being your unique, wonderful self. Believe in yourself and know that you can do it!

## Be Brave

It might seem hard to make new friends but remember they are most likely feeling the same way. Say 'Hello!'

## Be Enthusiastic

Show your new teachers what an eager, resilient, reflective and collaborative learner you are; this will really impress them!
