

Hello Year 4!

Here is a little guide to help you download the responses we sent to Codsall Middle School for you. You will ideally need a desktop computer or laptop.

1) Click on the button on our Year 4 Transition Page

2) It will open an internet browser for you. When it does, click the 'Download' button here.

3) Once it has downloaded, open the presentation called 'SNFS and CMS Transition Questions'.

4) Once you do this, it will open the presentation and then click 'Slide Show'.

5) On each slide, hover over the video and then click 'Play'.

Enjoy!

Mr Gough 😊
