

Please Beads

- **Equipment**

Bowl, beads or buttons or marbles or pebbles

- **Set up**

Place the beads, etc. in front of the bowl

- **Instructions**

God always hears our prayers, even when we think they are small and silly.

Pick up a bead, etc. and hold it in your hand. What would you like to ask God for right now?

When you are ready place your bead, etc. into the bowl along with everyone else's prayers.
