Sir Linkalot (Spelling App)
(Ideally for Year 2 onwards)

Do you want your child to explore spelling tricky words in a meaningful way?

This app has a couple of key benefits:

1. It will most definitely raise your child(ren)'s literacy levels *
 2. It will make life a whole lot easier for parents and carers
 3. Your children will have fun while learning.
- * Each bundle has two forms of testing so they can challenge themselves (and any brothers, sisters, and other family members, who may also use the code).

To get free unlimited access for the next 12-weeks*:

Step 1: Head (click the following link) to app.sirlinkalot.org

Step 2: Click on this button

Step 3:

Username is: free

Password: free

Existing Sir Linkalot subscribers can get access to the Sir Linkalot app by signing in with their username and password.
If you experience any difficulties with your subscription or using the web reader, please email service@thinklink.co.uk or contact 01444 458798

Step 4: You will find lots of different bundles, which will contain different sets of tricky words to be learnt. Click on 'view' and your child can move through learning the different tricky words to spell. Each video is around 20-30 seconds so isn't too long for each word.

A short video clip is used to teach children a friendly way of remembering of how to spell tricky words. There is the opportunity to do mini-tests too!
